BESPOKE
STAIRLIFTS LTD.

THE INFINITY

For fully independent living choose the Infinity curved stairlift

Your staircase should never be your biggest obstacle.

Negotiating the stairs shouldn't stop you from doing the things you want to do.

By choosing the Infinity curved stairlift, you can continue enjoying your home without worry.

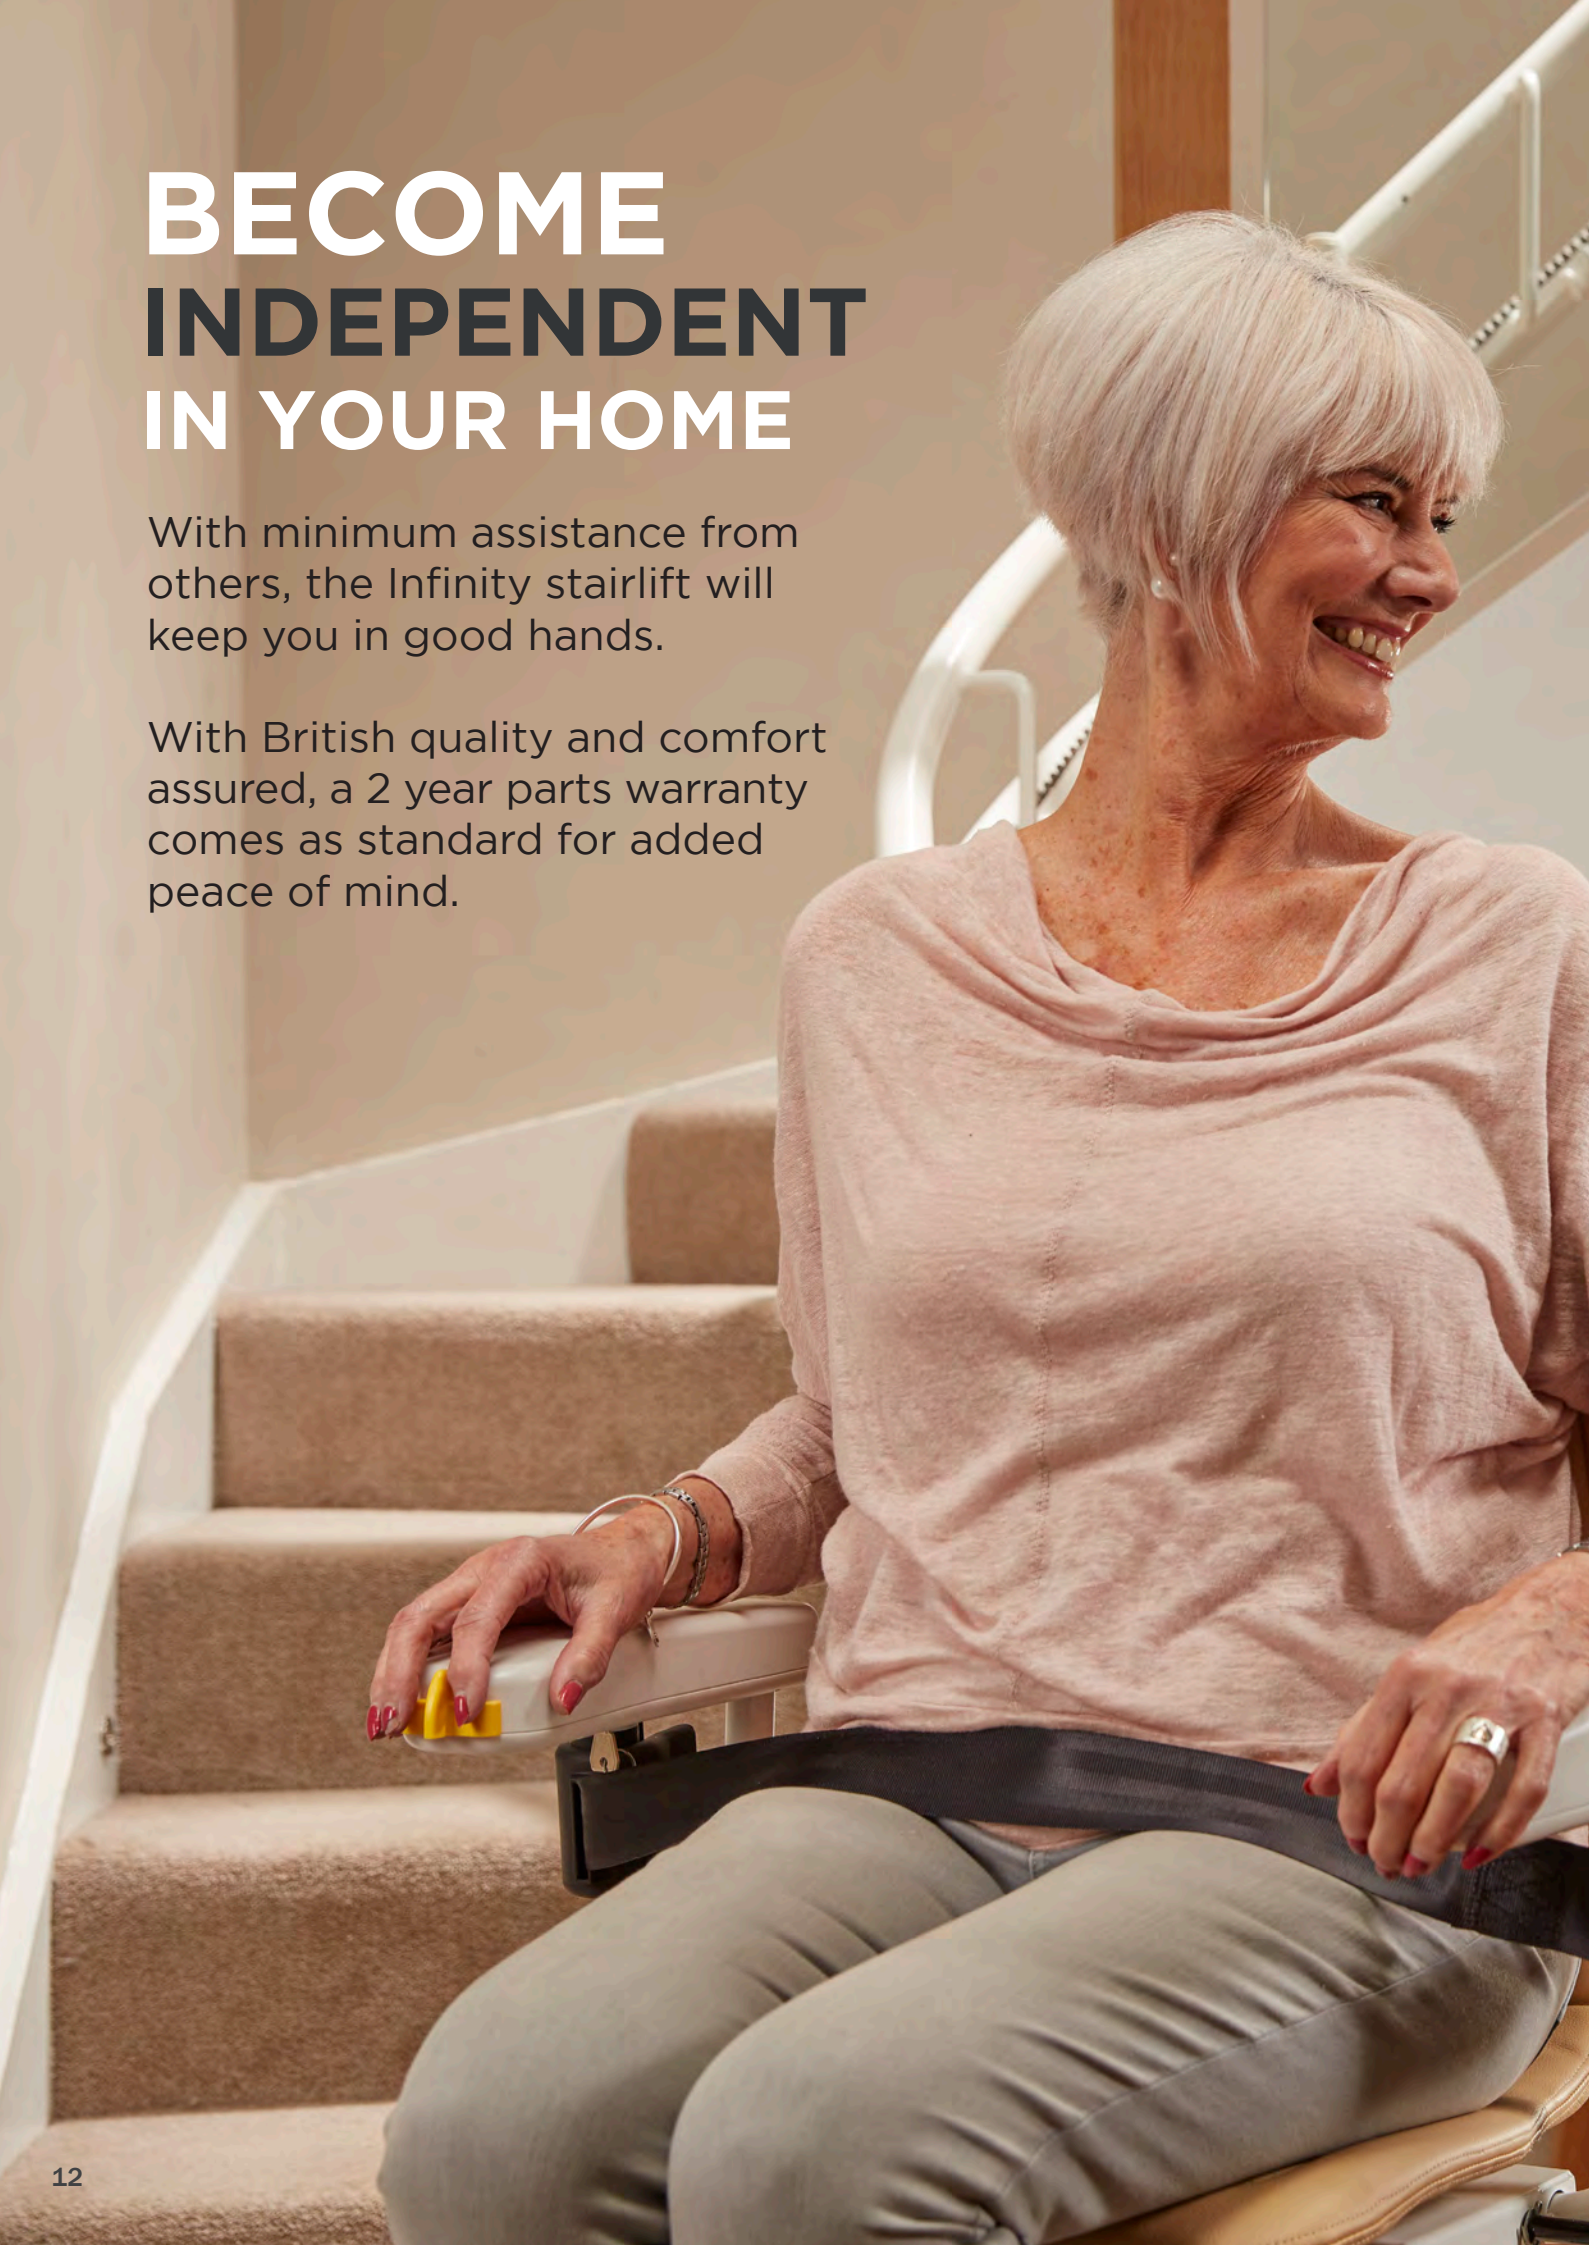

INFINITY

MISSION ACCOMPLISHED

When Bespoke Stairlifts was formed in 2004, our mission and vision was to create a cost-effective and reliable solution for customers to access their staircases and to remain independent in their own homes.

TAKE BACK CONTROL OF YOUR HOME

BECOME INDEPENDENT IN YOUR HOME

With minimum assistance from others, the Infinity stairlift will keep you in good hands.

With British quality and comfort assured, a 2 year parts warranty comes as standard for added peace of mind.

COMFORTABLE ACCESS FOR OTHERS

The slimline twin-tube rail leaves plenty of room on the staircase for others to use.

THE PERFECT FIT FOR ANY HOME

Every part of the Infinity curved stairlift has been designed with you in mind.

LOVING, LIVING LIFE IN COMFORT

The stitched vinyl chair, compact yet comfortable, has been designed to fit stylishly within your home and be part of the furniture and not the elephant in the room.

With easy to remove seat covers for a better clean, ensures the Infinity will always look its best.

Natural Colour shown

UNSURE ON THE COLOUR?

Bespoke is one of the only stairlift manufacturers to offer alternative colours that may be more suitable for your home and it's surroundings once installed.

See page 21 for available options

EASY TO UNDERSTAND DISPLAY

The LCD display is easy to understand allowing the user to see the status of the Infinity.

PARKING THE INFINITY COULDN'T BE EASIER

The seat and footrest are easily folded up giving you more space when the Infinity isn't being used.

With a powered swivel option available, this makes the Infinity stairlift even more practical and convenient to have in your home.

See page 21 for available options

INFINITY
CURVED STAIRLIFT

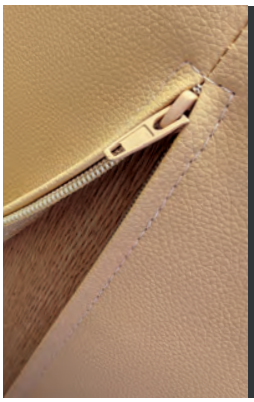

A RAIL DESIGNED AROUND YOU & YOUR HOME

The Infinity rail is specifically designed inhouse by Bespoke to fit your staircase, no matter how awkward.

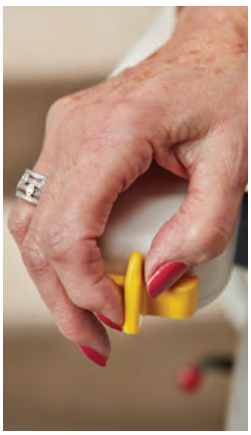

The durable powder coated rail gives stability and ensures a smooth ride around each corner giving the best ride possible.

1

HYGENIC SEAT COVERS

Removable covers for a deeper clean and to help keep the stairlift looking great.

2

SIMPLE TO CONTROL

The ergonomically designed control switch gives the user complete comfort for users with dexterity issues.

3

EASY SWIVEL LEVER CONTROLS

Tilting the lever rotates the seat making it easy and safe to get on, and off, the landing.

4

STOP MOTION

The Infinity will come to a standstill if the sensors on the footrest discover an obstacle on the stairs.

SPECIFICATIONS

Power Supply	
Input	120v - 240v
Output	1.2Ah
Battery	2x 12v
Rail Drive	Rack and Pinion
Max. seat rotation	80˚
Max. user weight	125kg (19.5st)

FEATURES & BENEFITS

5

SLIM & STYLISH

Without compromising comfort, the Infinity is one of the slimmest stairlift seats, folding closer to the wall.

6

FOLDING ARMS & FOOTREST

Easy to fold away giving room to other staircase users.

7

SEAT BELT

The retractable seat belt ensures the user can feel safe and secure when operating the Infinity.

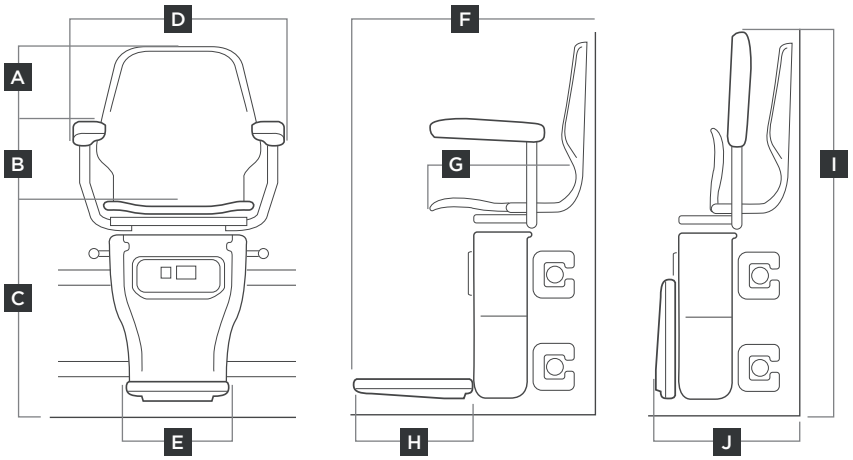

8

FOOTREST LEVER

The lever puts the footrest down with minimal bending and discomfort to the user.

		mm	inch
A	**Overall Height** (from floor)	1058	42
B	**Height of arms** (from floor)	837	33
C	**Height of seat** (from floor)	594	23
D	**Overall width**	607	24

G	**Depth of seat** (to backrest)	385	15
H	**Depth of footrest**	270	11
I	**Overall Height** (when folded)	1078	43
J	**Overall depth** (when folded)	407	16

BESPOKE STANDARDS

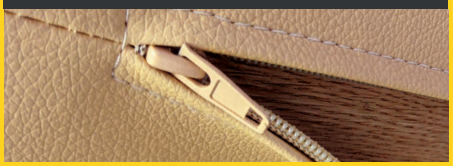

The Synergy and Infinity stairlifts include the following as standard.

HEALTH & HYGIENE

Bespoke stairlifts are easy to clean, not only assisting in the health of the stairlift but also the health of the user.

Bespoke are one of the very few stairlift manufacturers to include removable covers on their stairlifts.

QUALITY MATERIALS & COMPONENTS

With a robust case, performance seat and solid mechanics, our stairlifts will look their best and operate for many years to come.

RETRACTABLE SEAT BELT

Just like a car seat belt, easy to adjust and use, giving the user the best comfort and safety possible whilst operating the stairlift.

COMFORT & CONTROL

The soft start/stop of a Bespoke Stairlifts journey on a staircase is enhanced by the complete comfort of the padded seat and backrest and simple, ergonomic controls.

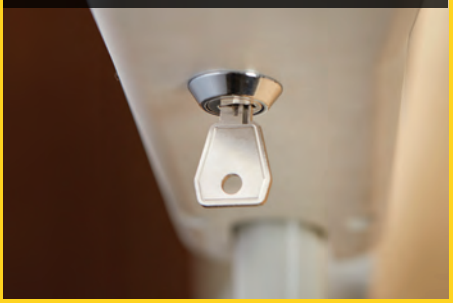

2 YEAR PARTS WARRANTY

Included as standard

Ask your dealer for further information.

LOCKING KEYS

Two keys are included for locking the stairlift in an off position for added safety, preventing unwanted operation by children, young and old.

REMOTE CONTROLLED

Two remote controls are supplied giving simple and convenient operation allowing the stairlift to be called or sent up the staircase when it's not being used.

BESPOKE
STAIRLIFTS LTD.

MADE IN GREAT BRITAIN
MADE FOR YOU

Since 2004 when Bespoke started, we have gained plenty of knowledge and experience over the years in providing an outstanding stairlift product and service that is ever-evolving.

BASED IN HUDDERSFIELD, UK
PROVIDING STAIRLIFTS TO CUSTOMERS WORLDWIDE

No place is too far for Bespoke to ship to. We find the best delivery options available via sea or air and try to keep costs down.

With a dedicated Export sales team in the UK, Bespoke can continue the assistance and quality care with customers and dealers in their native language.

Our stairlifts are installed worldwide thanks to our dispatching options, opening doors for Bespoke Partners to install stairlifts across Europe, Asia, South America, Mexico, and Australia to name a few.

THE BESPOKE TEAM

A MAJOR PART OF OUR SUCCESS STORY

With a dedicated team, a network of approved installers and qualified engineers in the UK and worldwide, we are ready to transform your customers' lives.

Over the years we have invested heavily in our staff, particularly in our fabrication department.

Our fabrication team not only builds our rails to the standards our customers expect but they are also at the forefront of every development we introduce.

We see it that those who work on our products day to day can offer the best insight into how we improve our products and that knowledge is passed on to our customers and in turn yours.
